## Experience to build a career.

**DELL**

The power to do more

"Internships are the beginning of your career journey, and a stepping stone to future leadership programs within Dell. This is your chance to play a role in our corporate strategy and growing our company. We're excited about the contributions you'll bring to Dell."
— **Dell CFO**

"Through the program, I have enhanced my cooperative and communication skills, and my professionalism. Following my internship experience, I was thrilled to receive an offer to join Dell's Finance Development Program."
— **China intern, Xiamen University**

"The networking and development opportunities I received were far superior to those from other internships. As a result, I was able to enter the Finance Development Program." — **U.S. intern, Brigham Young University**

"I worked with intelligent and engaging teams that fostered personal development and enabled me to succeed. The development focused culture and strong support of networking led me to join Dell FDP full-time!" —**U.S. intern, University of Wisconsin**

"I supported a team in Singapore and worked on high-impact projects that gave me a glimpse into Dell's strategy. My internship offered me an insight into the world of corporate finance which led to me joining Dell full time."
— **U.S. intern, UNC Chapel Hill**

Summer Finance Internship

# What is your best path to success?

# "All achievements, all earned riches, have their beginning in an idea." — Napolean Hill

## Why choose Dell?

**Dell invests in your career**

• Work in a world-class global finance organization in a fast-paced and transforming industry

• We support an open door policy, allowing interns to schedule one-on-ones with experienced professionals

• We offer a broader understanding of running a business, making tradeoffs and applying the knowledge you've gained in school

• Gain exposure for future accelerated career development programs. Interns who perform well will be considered for the elite Finance Development Program and Accounting Development Program, our multi-year rotational programs for undergrads

## About the program:

• 12-week assignment within a global Dell finance or accounting function

• Interns are assigned projects that give them the opportunity to lead and produce viable results

• Interns are paired with managers to help guide them and provide support during their internship

• Internship will culminate with a high visibility presentation to executive management

• Interns are assigned a mentor in the Finance Development Program (FDP) or Accounting Development Program (ADP), giving them an inside look into the programs

• Networking opportunities with other interns, employees, managers and vice presidents

## Program highlights:

**Finance boot camp**
As a finance intern, you'll participate in our three-day boot camp event. You'll have the chance to meet and engage with top executives, learn about potential career opportunities at Dell, tour parts of the company and learn from subject matter experts.

**Executive interaction**
You'll have the opportunity to have Q and A sessions with top executives during boot camp, attend our executive speaker series, and end your internship with a special session with Michael Dell.

## What are we looking for?

• Passion for finance or accounting
• Driven, self-starting undergraduate or graduate students
• Interest in global experiences
• Propensity to learn
• Leadership capability
• Effective communication skills
• Participation in extracurricular activities
• Top performer in class
