Books

- 1) On Macro Control to Inflation, Shanghai University of Financial and Economics Press, 1995
- 2) An Analysis on Macro Financial Games, Shanghai University of Financial and Economics Press, 1997
- 3) Theory of Game Learning, Shanghai University of Financial and Economics Press, 1999
- 4) Study on Generating, Diffusing and Preventing Machines of Financial Crisis Today, Shanghai University of Financial and Economics Press, 2002
- 5) On the Incentive and Constraint Machines of Financial Institutions, Fudan University Press, 2006
- 6) Theory of Financial Games, Fudan University Press, 20076

Finished Projects

- 1) Leader and Main Researcher, Project of National Social Science Funds of China, Research

- on the forming, diffusing and preventing mechanism of financial crisis today, 1999-2001
- 2) Leader and Main Researcher, Project of National Nature Science Funds of China, Research on the model of money supply control in China, 1997-1999
 - 3) Leader and Main Researcher, Project of National Nature Science Funds of China, Simulating research on the effects of monetary policy in China, 2002-2004
 - 4) Leader and Main Researcher, Project of National Nature Science Funds of China, Micro simulating research on cooperate governance of Chinese commercial banks, 2001-2002
 - 5) Leader and Main Researcher, Project of National Nature Science Funds of China, Research on establishing and improving of incentive and constrain mechanism of Chinese commercial banks, 2001-2003
 - 6) Leader and Main Researcher, Project of National Doctoral Students Education, Study on Incentive and constrain mechanism of Chinese Financial Insititutes, 2003-2005
 - 7) Leader and Main Researcher, Project of National Nature Science Funds of China, Research on Consumption and Investment Behaviors of Resident's Life Cycle of China, 2006-2009
 - 8) Leader and Main Researcher, Project of National Nature Science Funds of China, Research on the Effects of Excessive Liquidity and its Reversion on Inflation and Deflation of Chian, 2009-2011.

Awarded Prizes

- 1) Xu Muqiao Prize on Price Researches, awarded by Chinese Price Association, Study on macro adjustment and control on price, 1996
- 2) Second Class Prize on Excellence Writing of Social Science, awarded by Shanghai Social Science Union, The AD-AS simulation analysis on fluctuation of macro economy and price of China, 1996
- 3) First Class Prize on Excellence Writing of Social Science of Shanghai, awarded by Shanghai Social Science Union, Analysis on macro financial games, 1998
- 4) Second Class Prize on Excellence Writing of Social Science, awarded by Ministry of Education of China, Analysis on macro financial games, 1999
- 5) First Class Prize on Excellence Writing of Social Science, awarded by Shanghai Social Science Union, Analysis on effect mechanism of asymmetric information and policy information discover on monetary policy effects, 2000
- 6) Third Class Prize on Excellence Writing of Social Science of Shanghai, awarded by Shanghai Social Science Union, Study on Generating, Diffusing and Preventing Machines of Financial Crisis Today, 2002
- 7) Second Class Prize on Excellence Writing of Social Science, awarded by Ministry of Education of China, State Financial Stability and Safety under Open Economic Conditions, 2004
- 8) Third Class Prize on Excellence Writing of Social Science, awarded by Ministry of Education of China, Study on Generating, Diffusing and Preventing Machines of Financial Crisis
